Ink Spots Begin Engagement At Marineland

Featuring songs that vibrate in the memory and touch the heart, The Ink Spots, renowned stars of song and rhythm, have opened in their initial engagement at Marineland Restaurant on the Palos Verdes peninsula.

The Ink Spots, whose honey-sweet singing style was launched on Decca Records in 1939 with "If I Didn't Care" and "It's Funny To Everyone But Me," are signed for a four-week appearance in the "Porpoise Room."

The sound of their voices is as familiar in the American home as the sound of rain on the roof. Their famous "talking choruses," which are so closely identified with the group, have made them great international favorites.

style, sensitive interpretations and ineffably smooth and melodic ballads, The Ink Spots also entertain instrumentally at Marineland Restaurant, assuring an unforgettable musical treat in the "Porpoise Room" through Aug. 21.

Zoning Variances OK'd By City Planners

The city planning commission approved a variance in the zoning ordinance which will allow expansion of a trailer court on Walnut Ave., south on 238th St.

The variance will allow J. E. Kettler to add an additional 126 spaces on a 7 1/2-acre parcel along the east side of Walnut Ave.

BEST BUYS FOR THE WEEK

In Torrance Markets

No excuse for monotonous menus.
 Apples. Gravensteins from Sebastopol.
 Apricots. Harvest nearly complete. Work fast if you haven't had your share.

Berries. The season stretches on... all varieties in market. Grapes. San Joaquin Valley, the grape center of the country, shipping Thompson Seedless, Perlettes, Cardinals and Ribiers. Kern County keeps us supplied with Thompsons through September.

Melons. Cantaloupes, Honeydews, Cranshaws, Persians and Watermelons. Your favorite producing area must be represented... Coachella Valley, Blythe, Riverside, Kern County, and Westside of San Joaquin Valley, with Imperial Valley still shipping.

Nectarines in volume. Sizes are large this year. Of the many varieties there are eight taking the greatest share of the market.

Peaches. An endless number of varieties coming from major producing areas. Fine, fine quality. Watch for low prices on lug sales. At roadside markets in Antelope Valley.

Pears. Bartletts are here from Sacramento Valley and Glenn County. Quality excellent for so early.

Plums. A fine quality crop mostly from San Joaquin Valley but of only average supply. Prices are expected to hold steady, but well worth the cost. The plum season always seems short. Nine varieties moving in abundance, with Santa Rosas most plentiful.

MOST ABUNDANT FRESH VEGETABLES

Snap Beans, Celery, Corn, Cucumbers, Lettuce, Onions, Bell Peppers, and Potatoes. Tomatoes show decided improvement in quality.

PROTEIN FOODS

Lamb. Weather conditions are bringing lamb to market a full month early. Many markets to "special" lamb. Lamb lends itself to outdoor cooking... many fine cuts for the purpose.

Poultry. We are into the "peak of harvest" for turkeys. All sizes; fine birds. Chicken, broilers-fryers and stewing hens. All fine values.

The meat industry reports that beef supplies will be at an all-time high. High quality available.

Pork at its seasonal low, but no shortage of HAM and SPARERIBS for cook-outs and ROASTS and CHOPS for cook-ins.

Eggs sliding up in price. Hens don't like warm weather, but supply of eggs adequate, and such a fine warm weather food. So easy to use.
